### Under Southern Skies.

When Lottie Blair Parker wrote "Way Down East," managers predicted a great future for her, but most of the "wise ones" thought Mrs. Parker produced all that she possessed and would never equal this play. Mrs. Parker, who is a very shrewd business woman, thought of that old maxim "say nothing but saw wood." She sawed, and sawed, and when finished turned out "Under Southern Skies" which duplicated the success of her former effort, and was considered by many a bigger success. Mrs. Parker laughed at the prophets who said she "produced all she possessed" in her first big success, but still said nothing and may be on another sawing expedition. "Under Southern Skies" will be presented at the Barre opera house Thursday, April 28.

### About S. B. Whitney as Musician.

The Lewiston Sun says, Mr. Whitney's long and continuous service of 30 years as organist at the "Church of the Advent" is a most acceptable recommendation, and without doubt the doctor is one of the most expert organists in the country. The "Church of the Advent" observed the 25th anniversary of the organist, Dr. Whitney, by presenting him with a silver loving cup and a silver purse containing \$500 in gold, thus showing their appreciation for his very efficient service.

Dr. Whitney has played at a great many of the large openings in Boston and has achieved a widespread reputation as an artist at his chosen profession.

Mr. Whitney will give a recital at the Methodist church Tuesday evening.

### Notice to Tax Payers.

Every tax payer is required by law, under penalties provided therein, to fill out, sign, swear to and deliver the proper inventory to the assessors. Some workmen who have signed a card handed to them by their employer for the purpose of obtaining their name and proper address have got an impression that they have completed their duty by so doing. To meet the requirements of law they must come to the assessors' office in City Hall and deliver the sworn inventory. The time in which to do this is growing short.

### 20th Anniversary of Clan Gordon No. 12.

In celebration of the 20th anniversary of the formation of Clan Gordon No. 12, a banquet will be served in Hale's pavilion on Saturday, May 21st, 1904, at 7 p. m. All clansmen wishing to celebrate are requested to give their names to the amusement committee as early as possible. Jas. Mutch, Sec'y.

## HOW TO PRONOUNCE HYOMEL.

Rickert & Wells Tell of This Remarkable Treatment That Cures Catarrh Without Stomach Dosing.

"While all our customers who have used Hyomel agree that it is remarkably successful in curing catarrh and other diseases of the air passages," say Rickert & Wells, "yet there has been considerable diversity of opinion as to how the name is pronounced."

"Hyomel is pronounced just as if it were spelled 'high-o-me,' with the accent on the first syllable."

"A great many come to our store and instead of asking for Hyomel, tell us they want a package of the treatment for catarrh that we are selling on a guarantee."

"While we know what they mean, and all of our clerks will give them Hyomel, yet we want everyone to know how to pronounce the name of Hyomel, so that they may run no chance of getting anything but Hyomel, no matter where they go."

"It is nature's true cure for catarrhal troubles. It kills the germs of this disease, soothes and heals the irritated mucous membrane, and effectually drives all catarrhal poisons from the system."

"All the stomach dosing in the world can do no lasting good in the treatment of catarrh unless the nose and throat are free from catarrhal microbes. There is no stomach dosing with Hyomel; just breathe it."

"We have so much confidence in the value of the treatment, that we are selling it with the understanding that we will return the money if it fails to cure. All Times readers know that we do exactly as we agree."
